Dear Customer,

We are sorting out our mailing list as some of our customers do not seem to be availing themselves with our sales goods so we wish to make it easier for both sides in the future if you use a computer. Please let us have your email address and telephone numbers so that we can send notification of our latest list every time that we issue one. This will save us a tremendous amount of work over time. If you are not interested in further lists please tick the box and fill in your name and address so that we can remove you from our current customer list.

Please note that all Lists issued so far (2-12 plus B List) are on our website and goods are still available for sale from same. For those of you who do not want any more lists many thanks for your custom in the past. If you do not have a computer we will send hard copies as normal.

With regards,

Derek & Sue Tomlin
